

# FIRST ON SCENE

**FREE**

## HEAVY VEHICLE DRIVER REMOTE INCIDENT TRAINING

Practical training for truck drivers who are confronted with road crashes on rural and regional roads

The Queensland Trucking Association is facilitating First on Scene Remote Incident Training around Queensland for truck drivers to increase their level of knowledge on how to manage a road crash in rural and remote areas when arriving first on scene. The training will be delivered free courtesy of support by the Motor Accident Insurance Commission.

### Who is this training for

Heavy vehicle drivers who:

- travel on rural and remote roads in Queensland.
- want to increase skills, knowledge and capability to safely manage a vehicle accident

(Numbers are limited in each location)
