

**NTI is proud to deliver  
exclusive benefits to  
QTA members.**

NTI offers insurance products that work together to give you seamless coverage across your transport, logistics, plant and equipment, and cargo needs, to protect your business and livelihood.

## Is your business getting the full benefit?

As an association member, you can enjoy the following **exclusive** benefits and conditions at no extra cost:

- **Waiving the additional age excess** on prime movers, rigid trucks and trailers
- A move from Market Value to an **Agreed Value** settlement base
- Automatic inclusion of additional insured property increased from 45 days to **90 days**
- Along with the immediate start of repairs through **NTI's Authorised Repair Network**, you and your drivers also receive added increases and benefits in the event of an incident:
  - Cost of repatriating driver is increased from \$5,000 to **\$7,500**
  - Emergency repairs limit is increased from \$5,000 to **\$10,000**
  - Average / underinsurance condition is **deleted**

***To access these exclusive member benefits\*, make sure your insurance broker has listed your association membership details on your quote or policy and that it's shown on your paperwork.***

If you're not already protected by Australia's #1 specialist insurer across all your transport, logistics, plant and equipment and cargo needs, speak to your broker about getting a quote today.

\*Benefits available to current financial members of the association where the endorsement is in place at the inception of the policy. Applies only to eligible NTI insurance policies. Refer to the Product Disclosure Statement for more details.

## **Australia's #1 Specialist Insurer.**

NTI is Australia's leading specialist insurer for:

- Trucks, big and small
- Mobile plant and equipment
- Marine, cargo and parcels

Plus, we're Australia's leading provider of roadside assistance for trucks.

### ***Specialist Risk Engineers.***

NTI's specialist risk engineers can help businesses small and large to improve safety, optimise processes, and operate more efficiently. Our risk engineers not only understand risk management and insurance, they've also worked in industry. This knowledge helps them better understand your business and create appropriate solutions to address the unique challenges you face.

### ***Helping business beyond Insurance.***

NTI offers products designed to help your business manage its chain of responsibility compliance, along with programs to develop leadership and a safe workplace culture.

***To find out  
more about how  
NTI's specialist  
experts can help  
your business,  
please speak to  
your broker.***

## ***Working in partnership for your benefit***

In the last five years, NTI has invested more than \$4 million into the transport industry through Australian Trucking Association (ATA) member associations.

If you're an association member insured with NTI, up to 1% of your insurance premium is invested back into the transport industry through your association, at no cost to you.
