Who we are

As the peak industry body for the road freight industry in Queensland, we represent businesses of all sizes from across the State and interstate who are based in Queensland or deliver freight into Queensland.

We advocate for your business and the future of the road freight industry, and our priority areas are:

- Investment in road infrastructure to build safer roads and bridge upgrades
- More access for high productivity vehicles to increase efficiency
- More rest areas support driver safety, fatigue and well-being.
- Funding to support training and skilling initiatives including on-road training programs for newly licenced drivers.

We offer specialised services to support members in the areas of employment relations, heavy vehicle access and compliance, health and safety and skilling and training.

We have a personal approach, and we are focussed on finding solutions for issues in your business. We pride ourselves on looking after our members wherever they are in Australia.

I look forward to having you part of our membership and welcome you to contact me for a conversation anytime – gary@qta.com.au or 0418 736 802.
