QUEENSLAND TRUCKING ASSOCIATION - "CODE OF CONDUCT"

The objectives of the Queensland Trucking Association Limited, outlined in the Constitution include but are not limited to:

- To unite the trucking industry behind a state and national effort and facilitate state and national representation.
- To develop viable operating conditions for all trucking industry sectors that are conducive to safer, efficient and professional performance on the roads.
- To provide demonstrable benefits of the positive role of the trucking industry to the community.
- To improve road safety through developing a culture of professional driving standards of performance.

In advancing the objectives of the Association, I/We agree to:

- 1 Conduct our business from a registered address complying with relevant Local, State and Federal Government Regulations.
- 2 Conduct our businesses in accordance with prevailing Federal and State Legislation effecting both on and off road operations.
- 3 Ensure Work Health and Safety requirements are met and maintained as required by Law.
Ensure vehicles and company equipment is maintained in a safe and roadworthy condition.
- 4 Ensure I/We will not direct or require, directly or indirectly, the driver of a heavy truck to do something if the person knows, or reasonably ought to know, that by complying the driver would, or would likely to, commit a core driving hours offence; a related record offence; a speeding offence; a mass offence or breach any other Road Law or Regulation binding the operator and the driver.
- 5 Verify that all employees are suitably licensed and trained for the tasks undertaken, to continually monitor the ongoing competence of employees and assist employees with skills training.
- 6 Encourage drivers to respect the rights of all road users.
- 7 At all times promote safety, courtesy and professionalism, working closely with employees in promoting a positive attitude to improving industry standards and general public image.
- 8 Notify the Association of any change of contact or company details.
